

Parents and Planning in Willow Class

Summer Term 2017

We continue to involve our pupils more in planning their learning and we would also like to involve our parents more in suggesting ideas. Whilst the central theme is *'Location, Location, Location!'* and the study of the local area and contrasting locations around the world, we are very keen to build on the children's interests and develop their skills through what they would like to really learn about across a range of subjects.

If you feel that you have any interesting ideas/artefacts/contacts etc. please note them below and return it into class. Don't be afraid to 'Think outside the box'!

Your contributions are very much valued and appreciated.
Please return to school by **Friday 28th April 2017.**

Thank you for your support,

Willow Class Team

Mrs Tweedale, Mrs Sassis and Mrs Ogden
