

# Parents and Planning in Beech Class

## Autumn Term 2017

As we continue to involve our pupils more in planning their learning, we would also like to involve our parents more in suggesting ideas. The main theme this term will be **'Up, up and away!'** This will include learning about air travel, world **Geography**, famous aviators of the past and forces and friction. We have already been busy building a role play airport complete with security and passport control, shopping, food and drink, a runway and workshop!

We remain very keen to build on the children's interests and develop their skills through what they would like to really learn about across a range of subjects and our topic work can evolve around the children's ideas and inspirations.

If you feel that you have any interesting ideas/artefacts/contacts etc. please note them below and return it into class. Don't be afraid to 'Think outside the box!'

Your contributions are very much valued and appreciated.  
Please return to school by **Monday 18<sup>th</sup> September 2017.**

Thank you for your support,

**Willow Class Team**

*Mrs Tweedale, Mrs Sassis and Mrs Ogden*
