

<p>SCIENCE: We will be continuing to work scientifically by observing, asking questions, investigating, testing and recording at our outside 'investigation station'. We will be learning about forces and materials. The children will investigate different types of forces and their effects on objects and materials. We will also look for seasonal changes, finding out how and why they happen.</p>	<p>HISTORY/GEOGRAPHY: We will be looking at the world map and learning about the seven continents and some of the countries within them. We will also talk about capital cities, oceans and seas. For History we will look at historical figures involved in air travel - The Wright brothers, Amy Johnson and Amelia Earheart.</p>	<p>ART: Brush and pencil skills - painting and drawing. Observational drawing. Self portraits. Christmas cards and crafts.</p>
<p>R.E.: Winter festivals: Harvest and Christmas. Yom Kippur and Hannukah Diwali</p>	 <p>Up, up and away!</p>	<p>D.T. Research, design and make flying machines from recycled materials. Test them see how far they can fly and evaluate our designs.</p>
<p>MUSIC: See KP planning. Nativity songs.</p>	<p>FRENCH: See language angels.</p>	<p>P.E. Games - Ball skills, team games, agility and fitness. Gymnastics.</p>
<p>PSHE : New beginnings. protective behaviours Making choices and decisions.</p>		<p>NOTES: English focus - familiar stories. Story language. Rhythm and rhyme in poetry. Role play - airport</p>
