

# Lime Class

Dear Parents,

y and it is hoped  
rs in our local area.

ooking at the local

m, we hope to go down into the village to do a traffic survey, observational  
d look at local amenities. We will also be widening our  
Bishop's Stortford and considering the positive and  
g near Stansted airport.

n outdoor games, taught by our Sports coach on Thursdays.

m, we will be learning about 'Plants'. The parts of a flower and its purpose, what  
and the part they play in the life cycle of flowering plants. The children will carry

3D

our  
will

consider how they feel when things are about to change and how to look forward to what's ahead.

In RE, we will be learning about the work of religious leaders within the community.

In Art, we will be looking at the life and work of David Hockney and how he depicted various landscapes.

We will then use some of his methods to depict our local area.

Photography will also be part of our work when looking at the local area.

It is in this term that the KS2 children have their concert, so the Year 3 children will be preparing for that. The Year 2 children will be preparing to take part in the Year 2 Music festival at the Rhodes Centre in June with other schools in our area.

Please feel free to send in any items you think would support the children's learning this term such as books, photographs, posters and artefacts etc.

As well as these topics, all children will continue to take part in daily maths and literacy lessons.

In Numeracy, Mental fluency will be further developed and it important that we continue to improve quick recall of times tables. The children will be having a tables test every week. Please look out for the purple vocabulary books in your child's book bag where new maths vocabulary is written and should be learnt. Playing card games, UNO, Shut the box, Junior Monopoly and Connect 4 are all enjoyable ways to gain confidence in Maths.

Most of our Literacy work will be linked to the topic. We will be writing explanations, persuasive letters, leaflets descriptions and sharing information in a variety of ways

This term promises to be a busy but exciting one, with the Year 2 Music Festival and the Key Stage 2 Summer production. Thank you for your continued support and encouragement with your child's learning helping them to achieve their potential.

Yours sincerely  
Mrs Wells, Miss Todd, Mrs Lawson,
