

# Parents and Planning in Maple Class

## Autumn Term 2017

As we continue to involve our pupils more in planning their learning, we would also like to involve our parents more in suggesting ideas. Our topic is “**The Victorians**”, about the era of Queen Victoria’s reign, but we are keen to build on the children’s interests and develop their skills through what they would like to really learn about across a range of subjects.

If you feel that you have any interesting ideas, artefacts or contacts to share, please note them below and return this letter to class. Don’t be afraid to ‘Think outside the box’!

Your contributions are very much valued and appreciated.  
Please return to school by **Monday 18<sup>th</sup> September 2017**.

Thank you for your support,

**Maple Class Team**

**Ms Penning, Mrs Whittet and Mrs Lammin**
