

Parents and Planning in Maple Class

Spring Term 2016

As we are involving our pupils more in planning their learning, we would also like to involve our parents more in suggesting ideas. We are very keen to build on the children's interests and develop their skills through what they would like to really learn about across a range of subjects. This term we have chosen the theme of 'Rainforests' as the focus for our learning.

If you feel that you have any interesting ideas/artefacts/contacts etc. please note them below and return it into class.

Don't be afraid to 'Think outside the box'!

Your contributions are very much valued and appreciated.

Please return to school with your ideas.

Thank you,

Ms Penning and Mrs Martin
