

Parents and Planning in Willow Class

Spring Term 2016

As we are involving our pupils more in planning their learning, we would also like to involve our parents more in suggesting ideas. Whilst the central theme is '*What a Wonderful World!*' and the study of physical Geography (rivers, mountains, volcanoes, the water cycle..) we are very keen to build on the children's interests and develop their skills through what they would like to really learn about across a range of subjects.

If you feel that you have any interesting ideas/artefacts/contacts etc. please note them below and return it into class. Don't be afraid to 'Think outside the box!'

Your contributions are very much valued and appreciated.
Please return to school by **Monday 18th January 2016**.

Thank you for your support,

Willow Class Team

Mrs Tweedale, Mrs Sassis and Mrs Ogden
