Early Years Newsletter

Thanks to you all for your support of World Book Day yesterday. The children had great fun guessing what one another were dressed as. Also thanks for your support this morning. Please share your children's Learning Journey with them. Ash parents will have the opportunity to discuss them at Parents' Evenings on Tuesday and Thursday next week. Appointment times have come home already or will arrive tonight.

Another thing that went down well with the children this week, was the porridge that they made and tasted. A good and filling breakfast will always help their learning along and they certainly enjoyed this!

If anyone has access to any stumps of wood, logs, branches or brush, we would really appreciate them for use in our forest.

We are still on the lookout for a couple of large wooden cable holders for use in our mud kitchen. If anyone has a lead or any ideas it would be great to hear from you.

We will all be continuing with the theme of 'BEWARE BEARS!' next week with a forest session for both Ash and Saplings on Wednesday morning.

Ash will be working on the sounds sh, ch and th as they continue to blend and segment sounds for reading and writing. In maths we are beginning to look at sharing and the language that goes with it.

Saplings are going to be listening carefully to the sounds that they can hear in the environment and at the beginning of words and names. We hope to bake some bear biscuits and begin to make some bears of our own in our Bear Workshop.

Have a great weekend all of you

The Early Years Team
