Our learning next week will be mostly based in the garden: planting, revamping the mud kitchen, digging, making signs, researching insects and manifests, **using numbers to 20, looking at 3D shapes, building on our bank of tricky words, writing on our own, using the computers (Ash), counting, bubbles, rhyming, stories, music making and balance biking (Saplings).**

As the weather turns warmer we suggest that your child leaves their water bottle in school permanently - we will wash and refill them daily - this will ensure that they have their bottle in school with them at all times. Please also remember sun hats and to apply sun cream in the mornings.

Have a happy weekend - enjoy the sunshine!
