# Early Years Newsletter

What a week we have had back in school - fireworks, Jackson Pollock, making and performing on a stage and the anticipation of 'The Gruffalo' next week!

As the weather has taken a turn for the wetter, we are going to be putting our coats on and taking them off frequently. Can you please support us by practising this at home.

On a similar theme can the Saplings please keep their spare clothes' bags 'topped up'. They really need a constant supply of pants, socks, T shirts, trousers/leggings. Thank you.

Next week sees our visit to see 'The Gruffalo' in Cambridge. Just to clarify - the performance starts at 10:30 and lasts for 50 minutes. We hope to return to school by 12:30 when the Ash children will have their lunch. The Saplings can be collected at 12:30 or stay to lunch club and be collected at 1pm as usual. We really can't wait and the story will be our focus for the whole week.

Enjoy your weekend. Please stay safe!
