# Early Years News

Many thanks to all of you who supported our Harvest Festival this morning. We hope you enjoyed the service and we thank you for your generous support for our link school, Kigezi School, in Uganda.

This week has seen the opening of our Farm Shop and next week there will be a lot of chopping and stirring as we make a generous pot of vegetable soup!

Enjoy looking for the first time at your children's Learning Journals - please use the speech bubbles freely to add your own contributions.

A couple of reminders:

- The children should ALL have their book bags, reading books and reading diaries in school EVERYDAY
- **As the weather gets colder and they begin to wear their tights, it would help if all Ash Class girls could keep a pair of socks in their PE bags**
- Please let Mrs Erswell know if you are not getting the newsletters. We do need you to read them.

**Ash Class:** Please keep playing with the sounds that we have sent home. The children are beginning to blend the sounds together to make words e.g. in at an is, and even pit pat sit sat tin pan etc... etc...

Thank you Mrs Parietti and Mrs Claremont - you are officially now our Class Councillors

Looking forward to seeing Ash parents at the Parents Evenings next week. Have a great weekend.

*The Early Years Team*
