

Little Hadham Primary School - Early Years  
12 March 2016

# Early Years Newsletter

Many thanks to everyone who attended the Parents' Evenings this week - we hope you found it to be an informative and useful experience.

A couple of reminders:

- The online application window for Nursery 2016 places closes on Friday 18 March. If you know anyone with a child who will be 3 on or before 31 August 2016, they are able to apply.
- Could all Learning Journeys please be returned ASAP please

**Mathletics** - an online maths resource, that school subscribes to and the Ash children have already experienced in school, is also available for you to use at home. Each child has their own unique log-ins which can be found on the inside cover of their red reading diaries. Please let us know how you get on - the children really do enjoy using it.

On Thursday 24 March we will be holding a teddy bears picnic in the Unit. The children are invited to bring along a loved teddy to the event.

Have a great weekend - don't forget the Friends' Quiz on Saturday night!

**The Early Years Team**
