# Early Years Newsletter

A great big welcome this week to our new Saplings and their families. All the children have made a very happy start to their school life

## Coming up ...

From Monday 14 September

- **Ash Class children will be in school full time. They will need to be collected from the little blue house, in the corner of the playground, at 3pm**
- **Lunch Club will be open, each day, for the Saplings 12 - 1pm**

**Tuesday 15 September 10am** Ash children will have their photo taken by the local newspaper. It will be included in a special picture gallery that the paper prints of all the new reception classes in our area

**Thursday 17 September 7:30pm** "Let's Get Started" evening in school when we will outline our approach to early reading and writing and answer any questions that you may have after these first days in school

**Advance notice:** On **Friday 09 October** we will be attending a Harvest Festival in St Cecilia's Church, Little Hadham. After this you are all invited to "Come and See" what has been going on in The Early Years over the first 4 or 5 weeks.

## Forest News

All the children will be participating in forest sessions (on our school site) this term, probably on a Wednesday morning. School has bought sufficient waterproof clothing for all the children and we also have wellies galore so there is no special need for the children to bring their own forest gear into school. However, as the weather grows cooler we will ask for them to have warm jogging bottoms and a sweatshirt/fleece to go under the waterproofs. **Can Saplings please wear appropriate clothing (i.e. joggers, sweatshirts) on Wednesdays.**

For these first few weeks in school our theme will be 'Getting to know you'. We have noticed that many of the children have an interest in London and things that they have seen/done there. If any of you have any books/mementos/maps that you are willing to share with us that would be great.

### Sharing information in a morning

We would be grateful if you could save questions and information for the end of sessions while we settle all the children into their morning routine as quickly and calmly as we can. If you have important information, first thing in the morning, please just tell ONE member of the team rather than each one of us. Rest

assured that we share everything that we are told/asked. As a general rule, we are all available at the end of the morning/afternoon. Thank you for your understanding.

Have a great weekend. Rest!

P.S. Key for the Early Years:

**Anything written in RED is important for Ash**

**Anything written in BLUE is important for Saplings.**

**Anything written in BLACK concerns all the children**
