'Believing and Achieving'

Friday 9th October 2015

Dear Parent/Carer

Thank you to everyone for making our Harvest Celebration a special morning and, on behalf of the children of Kigezi Primary School in Uganda, thank you for your kind donations. Thank you also to all parents who helped to make our walk up to church that much safer.

Parent Consultation Evenings

Hopefully, everyone has received their date and times for Parent Consultations on Tuesday/Thursday next week. We will try our very best to keep to time and we ask parents to help us by adhering to the bell, please. We do appreciate that the time flies quickly but should you need further discussion time, I am sure that staff will always try and accommodate you at another agreed time. With more children in each class now, the evenings will be long enough!

Governors will be available on the night for any queries or concerns that you may wish to share.

Playground Buddies

Congratulations to our new set of Playground Buddies for the year, ably led by Captain Liam in Y6. I am sure you will be a great help in making our lunchtimes run smoothly.

Parent Council

Thank you to those parent volunteers thus far in The Early Years and Beech Class. Just Lime, Maple and Willow to go! It would be good to be able to hold the first meeting in early November with a full complement!

Millennium Wood

Many of you will know about our Millennium Wood in Little Hadham and our school children played a massive part in its development in 2000. However, as with all things in nature, it now needs some TLC to restore it to its best. Jonathan Forgham, our local nature expert, has developed a plan to address a range of matters and is looking for support in making the plan become reality. If you think that you would like to get involved, please let Jono know, as I am sure he would welcome your support at jforgham@hotmail.com.

Conker Championships

This weekend sees the Annual Conker Championships at the Forge Museum in Much Hadham for children from Y2 upwards. There is also plenty for younger children to do, making things with conkers and running around the grounds, which are looking beautiful at the moment. The form to enter the competition and more information can be downloaded from Facebook at <http://on.fb.me/1LHRTwR>. or phone 01279 843301. Good luck to all entrants!

Class Attendance Award

This week's top attenders are Maple Class with a fantastic 100%. The average across the school is 97.6%.

Going for Gold

This joint classes achieving the most Triplegold certificates this week were Maple and Willow Classes, well done! Those achieving Supergolds are Joshua, Sid, Mia D, Una and Liam - congratulations.

Friday Film Club

By popular request, Friday Film Club resumes after half term. A letter should appear in book bags today and anyone from Ash Class upwards, who may wish to come along at any time, needs to complete the permission slip at the bottom of the letter and return it to the school office.

World Food Week

The kitchen have been asked to lead on World Food Week next week which brings changes to the menus for the **vegetarian** option only for one week. Monday- Sweet/Sour Quorn, Tuesday-Veg. Thai Green Curry, Wednesday- Rich Tomato Bolognese, Thursday- Jamaican Jerk wrap, Friday- Cheese and Tomato Pizza. Very international!

HALF TERM HOLIDAY

Parking Concerns

Unfortunately, once again, it has been brought to my attention that some people continue to be inconsiderate in their parking in the car park and even disrespectful to other drivers. As we all know, there is no easy option and we do need to support each other in order for everyone to be safe. We continue to explore ideas but meanwhile, please do consider others.

Thank you for your continued support.

Yours sincerely

E Stockley

Mrs E Stockley
