'Believing and Achieving'

Friday 10th June 2016

Dear Parent/Carer

I hope you all had a great week and are raring to go for the busiest half term of the year!

Thank you to everyone for their kind donations towards the Tombola prizes today. Next week's Non Uniform Day is for **sweets and soft drinks**.

Also, I would like to thank all those parents who supported **Jemma's Pamper morning** before half term and to Jemma for her kind donation to school funds. Hopefully, more bookings are forthcoming!

Class Attendance Award

This week's top attenders are Maple Class with a fantastic 100%.

Going for Gold

The most Triplegolds awarded in the week before half term went to Beech Class - well done.

Special Table

Next week's Top Tablers are Mia D, Harry W, and Arthur.

County Financial Audit

I am very pleased to say that our Financial Audit yesterday went very well, so thank you to everyone who contributed in any way. However, out of this, we have been advised that **ALL** cash brought in to school **MUST** be placed in a **named envelope** before handing in to the office. There are envelopes provided for this by the Signing In book outside the office.

Tetrahedron Day

From the generous donation by local architects, 'Pure Structures' (Mike Fisher) our KS2 children will be working with **SETPOINT** on a massive design project on **Monday** - Y3/4 in the morning and Y5/6 in the afternoon. The afternoon session may run on a little late up to 3.30pm, so hopefully, Y5/6 parents are OK with this. We are looking for a few parents to help with each session, so if you may be able to join us for either session, please let the office know.

Sports Day

Weather permitting (otherwise Thursday morning) our Sports Day for Beech Class upwards starts at **10am on Tuesday 14th June**. Hopefully, everyone has brought home their Team Colour letter, so that they come to school wearing their colour T shirt with pride! Children are invited to stay in their own clothes all day. On the day, we will have help from ten Sports Leaders from Hockerill and they are staying on to help run an Inter Colour Team Cricket Competition with the older pupils in the afternoon, so hopefully, they will all be worn out by tea-time! As always, parents are most welcome to come along and support their child, wearing their team colour too!

School will provide **water bottles** on the day.

STAGE Network Maths Enrichment Day

On Wednesday, we are hosting a Maths Enrichment Day for talented mathematicians across the local schools network. We will be sending 4 of our Y5 pupils to this challenging day on 'Using Manipulatives to Problem Solve'.

Y5/6 and Y3/4 Tag Rugby Festival

We wish our Y5/6 Tag Rugby Team lots of luck for next Thursday's Partnership Festival and Y3/4 team for Friday.

NSPCC Assemblies

Next Friday, the **NSPCC** are coming in to school to lead both a KS1 and a KS2 assembly on **keeping themselves safe**. As part of this project, we will be organising a sponsored event over the next three weeks, so watch this space for more details!

Date to note... Every child in the school will be having a quality piece of artwork professionally framed and displayed at our very own **Children's Art Gallery** in the hall on **Friday 24th June**. Parents are invited to view 'The Gallery' at **3pm** and purchase their child's framed picture at cost price around £5. More details to follow but please do try and get there for this very special event.

Coming Up:

- Mon 13th: KS2 Tetrahedron Day
STAGE Network Staff Meeting on Using Manipulatives in Maths
- Tues 14th : Sports Day - Beech upwards - 10am start.
