'Believing and Achieving'

Friday 11th September 2015

Dear Parent/Carer

A warm welcome to all our new Nursery pupils and their families this week. They have all made a great start and we look forward to watching them 'grow' in our Early Years Unit.

Thank you to those parents who have been able to come along to the 'Meet the Teacher' meetings in Willow and Beech Class today at 2.30pm. We hope that you have found them useful and clarified any misconceptions. Please do not hesitate to contact the staff, should you need further explanations. Our Early Years Parents are invited to the Early Reading and Writing Evening next Thursday.

Lime Class 'Meet the Teacher' meeting is next Tuesday at 2.45pm and then Maple Class on Wednesday at 2.45pm.

As always, we will be looking for volunteers for our Parent Council Class Representatives, so please give it some thought.

Office Request

As you can imagine, a great deal comes in to the office at this time of year and our Office ladies have requested if parents could ensure that any monies, cheques, requests, forms, orders etc. are clearly labelled, or ideally, in a named envelope, please. Thank you for your help in this.

Pupil Premium

Those families who may believe that they are entitled to Free School Meals should register online at www.hertsdirect.org/freeschoolmeals, as soon as possible. If your child is in KS1 and automatically receives the Government's free meals anyway, you should still apply, as it will also generate other funds to support trips, swimming, possible uniform etc. for your child, which would not normally be supported. Please contact the office if you need help with this.

Class Attendance Award

The winners of the first Attendance award of the school year is Beech Class, with a fantastic 100%.
The average attendance % across the school was 97.8% - A good start!

May I remind parents that children arriving after their class have gone in, must enter school via the Office and sign in to the 'Late Arrivals' folder.

Going for Gold

This weekly award will be announced from next week onwards. You will be pleased to know that those children who already reach 'Gold' before the end of the day can even make it in to 'Platinum' from now on!

Security and Safety

Please can I ask those parents, who park in the little playground before school, that the last person to exit- closes the big green gate, please. May I also remind parents to leave that area free from parking during the school day. Thank you in anticipation of this.

Sainsbury's School Games Award

We are really proud of all our sports teams this year, as once more we have been awarded the Silver Award for our contribution and participation in school sport and competition. Thank you to all parents who have helped with transport or supervision, as well as a big 'Thank you' to Mrs Nicklin for all her co-ordination and also to the Sports Crew - a great team effort!

Coming Up Next...

Week 1

- Monday 14th: Y6 Maths Club starts. (remember your drink and a snack)
Resources Governor Committee - 6.30pm.
