'Believing and Achieving'

Friday 18th September 2015

Dear Parent/Carer

Once again, thank you to all those parents who made it to this week's 'Meet the Teacher' meetings. It is always good to put faces to names! For those of you who were unable to be there, your child should have brought home a range of information, which hopefully speaks for itself. Please do not hesitate to contact either the class teachers or myself for any clarification.

It was also good to see some of our Early Years parents last night for our Early Reading and Writing Information Evening. We hope you found it helpful and I would like to thank the Early Years Team for giving up their time.

May I take this opportunity to remind you that we would like volunteers to stand as Parent Class Councillors again this year, so please don't be shy and contact your child's class teacher.

Class Attendance Award

Continuing on from Beech Class's excellent example last week, this week's award goes to Ash Class with an amazing 100%. The average % across the school was 95.6 %. Just reaching the County target of 95%+.

Going for Gold

The class gaining the most Triplegold for the first week of the year was Lime Class. Well done to those who even achieved a Platinum Card this week. It will be noted!

FRIENDS - Hadham Calling

If you haven't got your tickets yet for Hadham Calling on Saturday 26th September, please contact either, Howard, Tina or the Office. Your school needs your support!

Office Request

If there are any Early Years Pupil Premium forms to sign and return, please hand in to the office by next Friday, 25th September. It really can benefit your child in many ways.

Purple Mash

All children from Beech Class upwards should now have their personal log in for Purple Mash, our free online home learning website. From time to time, homework may be set using the website, so it would be

good to check that it is accessible from home and let us know of any problems. The children should all have the log in details inside their Homework Diaries.

Coming Up Next...

Monday 21st: Curriculum and Standards Governors Meeting - 3.30pm
