Dear Parent/Carer

Another half term has whizzed by!

Firstly, Congratulations to all our Effort Award winners today, great effort!

Thank you also to those parents who supported Jemma's Pamper Morning this morning. I hope that you all feel refreshed and regenerated, ready for half term! Thank you to Jemma for leading this today.

Rocket Science

We have come to the end of our 'Rocket Science' project and the next step is to tabulate all our findings to send off to the Royal Horticultural Society. They, in turn, will gather the evidence from all the schools involved and then reveal their findings. Will we have predicted correctly?

Class Attendance Award

This week's top attenders are Willow Class with 99.6%, well done. Across the school, the attendance was down at 93.4%.

A few parents will have received a 'Below 90% Attendance' letter today. Whilst we are aware of most reasons for absence, it is still important to see how this impacts on learning time.

Summer Fete Countdown

When we come back after half-term, it will be all systems go for our Summer Fete on Sunday 3rd July from 1pm to 4pm. (please note change of time) The first Friday back is a Non-uniform Bring In Day for Tombola Treasures, so do hunt out those unwanted gifts over the holidays!

Going for Gold

The most Triplegolds for the week ending 20th May was a tie between Beech Class and Maple Class- well done to both of you!

Special Table

The first week back after half term sees Zara, Orla and Eloise on the Special Table, well done.

Lunchtime Clubs

As usual, lunchtime clubs have now closed for the term, as we would rather the children be running around in the sunshine. I would like to thank all staff for giving up their lunchtimes over the past 2 $\frac{1}{2}$ terms and also to Sienna and Theo for running their lunchtime clubs too. See you all in September!
