

yr3/4 tennis competition

On the 17th May children from years 3 and 4 attended a tennis competition. They came an amazing 1st place! The people that went were: Cam, Max, Cesca and Emma.

They all came back with great big smiles on their faces and their medals on their necks. We all think that they did extremely well and we are really proud of their effort and achievement!

We interviewed the children and this is what they shared with us!

"I thought it was fun and exciting. I enjoyed playing against other people," Max.

"I enjoyed the fact that I won all my games," Cam.

"I liked practicing before the game. It was fun and I liked winning," Cesca.

"I liked practicing the most," Emma.

Congratulations to everyone who went. A big thanks to Mr Leonard, Mrs Ogden and Matt for helping make this event so successful. Also, thank you to Mrs Nicklin for organising such a wonderful day.
