

## Y6 Newsletter – Forest school

I am sure you all know that we are a Forest school and all year groups have Forest school sessions in the school grounds or at Millennium Wood.

This term, the Y5s and Y6s had the amazing opportunity to go to Millennium Wood and spend six afternoons there. We would love to tell you all about our time there and the fun activities we do: we work in teams to build dens, we climb trees, we play lots of games (123, where are you?) and we all love witterling and fairy pillows. Photos show us playing a trusting game.

This week we interviewed few children so that we can give you a feeling of what Forest is for the children in this school.

*'When I go to the forest, I feel free and feel like all the weights have been lifted off my shoulders. I feel calm and relaxed inside.'*-Hannah Winter, Willow class

*'I feel excited and happy when I go to the forest. I love building zip wires and playing with all my friends, I also feel free, and relaxed.'*- Riley, Willow class

*'In the forest I feel amazing and I love playing with my friends the forest helps me relax and I love being free'.* -Harry D, Willow class

*'I feel good and excited, when I go to the forest and I love making dens and climbing trees'.* Rosie, Beech class
