

Royal Albert Hall

On Sunday the 11th March, some of the years 6 and 5 pupils had the privilege of a life time experience: an amazing trip to the unforgettable Royal Albert Hall. They shared this experience with many other schools, singing songs and having fun. Many of the songs were about King Minos and the ghastly beast he had hidden in the labyrinth - The Minotaur.

During our performance we had many visitors like the people playing the poor Daedalus and Icarus. We also had a live orchestra playing the music for our songs.

There was a massive screen showing everything; the parents could see our lovely faces whilst we were singing.

It was amazing! And this is what some of the children, who went, thought:

"It was an amazing experience, I loved the songs, everything was brilliant!" Danielle - Willow class.

"I loved this wonderful experience and I would love to do it again!" Hannah - Willow class.

I loved this amazing once in a life time trip to the Royal Albert Hall.
