

A VERY HOT DAY BUT A BRILLIANT DAY

What a day it was: scorching heat and hot competition! With the hockey ball speeding up and down the pitch, 10 fantastic Year 6 members of our LHPS squad played in 5 matches (including the final!) It was surely worth it as our amazing team came back with a shining GOLD medal! Everyone on the pitch played incredibly but our team decided to vote who would be man or woman of the match. The votes were counted and checked twice and there was a draw between Harry Dennis (who played brilliantly as defence) and Willow (who played fantastically as striker). Well done to everyone though who competed, persevered and did their best to win (Leo, Maddy, Riley, Louie, Willow, Harry Dennis, Maya, Mimi, Danielle, Emily); we all deserved the GOLD MEDAL!
