

SPORTS CREW

Sports Crew is a Y6 group (Lily, Rosie, Willow, Harry Dennis, Riley, Maya, Maddy, Emily, Amelia and Danielle) that runs exciting activities for all pupils in our school. **Sports Crew** is where we encourage young children to try out new sports and exercises. It is a great way of getting everybody up and active.

We interviewed some children and these were their responses:

Jessica (Beech class): "I like running up and down the wiggly ladders. Throwing bean bags was fun as well; my favourite was jumping over the hurdles. I love **Sports Crew** because it is fun and I love sports 😊!"

Finlay (Ash class): "I love **Sports Crew**. I liked it when we threw the hoops on the cones. My favourite activity was running up and down the ladders. I love all of it!"

I hope you now understand a bit more about **Sports Crew and how it works.**

Thank you
