

# SUPER SPORTS DAY FUN

Our school had an amazing time yesterday celebrating sports at our annual sports day. Four teams competed including: Green, Blue, Yellow and Red. The Blue team won the sports points trophy and the Green team won the Team points trophy for their excellent team work and spirit.

Here are some of the children's thoughts about sports day.

Shawn (Y6): "I liked all of the different activities!"  
Ilana (Y2): 'I loved winning the trophy of team work, it felt good and I was very happy'.
