

Little Hadham Primary School - Early Years

03 February 2017

Early Years News

What fun we had!!

The Early Years children are really enjoying their forest sessions. They have taken so much on board in the forest and their curiosity and interest was rewarded this week as they sheltered under the tarp and drank their 'boggle poo'.

Ash children are busy using all the initial sounds that they have covered as well as the tricky words I no go to the. The children are working hard on blending the sounds and are becoming increasingly keen to write. Their reading skills are developing all the time. We are working hard with numbers, using and recognising them as well as being able to use them, quite naturally, in our everyday lives.

The Saplings are happily settled in the Unit and are enjoying all the opportunities that they are offered.

Can you please remember to close ALL the gates and fasten the carabiners when you go through them, at any time of day. The children's safety is the most important thing to us.

Next week is Design Technology week across the school. We will be focusing our attention on rockets.

Don't forget that half term starts next Friday (10 February) and that we return to school on Monday 20 February.

Enjoy your weekend.
