Early Years News

We are pleased to report that Mrs Nicklin is making a good recovery after her shoulder operation and she thanks everyone for their well wishes. She will need to be off school for another week to recuperate and we hope that we will see her soon.

The children have adapted really well to having different, yet familiar, faces in the Unit this week and a big thank you to the Early Years Staff for keeping things going in Mrs Nicklin's absence.

It has been great fun exploring all things 'spooky' this week and next week we will be making our own poppies and thinking about kindness to others.

We would like to encourage our children in their cutting skills, using any style of scissors, to make a collage of magazine/comic/newspaper pictures at home and bring in to celebrate in school. Thank you for your support in this.

Please do not hesitate to contact any of us should you have any concerns in Mrs Nicklin's absence.

Have a lovely Fireworks weekend and keep yourselves very safe.

Mrs Stockley and the Early Years Team
