Early Years News

Many thanks to all of you who were able to support our Harvest Festival yesterday. We hope you enjoyed the service and we thank you for your generous support for our link school, Kigezi School, in Uganda.

Life is settling down in the Unit as the children become more and more familiar with us and their environment. Their well-being and involvement is paramount at this crucial time of the school year. To this end we are encouraging the children to be gentle and kind. We have side stepped into a theme of superheroes as we reinforce the fact that we all have super powers of some kind and the ability to be great. **Phonics is going well with Ash Class and they are all enjoying learning through the games and interactive fun.**

We have decided to run our Forest School on Fridays, for the time being. Saplings will go in the morning and Ash in the afternoon. The children are fine in their uniforms with our waterproofs over, until the weather becomes colder. **Please can Saplings wear sensible clothes - joggers and sweatshirts always on Fridays.**

Can we just remind you all that Ash now line up on the playground in the morning - its great if the children can all gather in the line and walk in to school together. If you are late, and the line has already gone, please go to sign in in the Office and Mrs Erswell or Mrs Chamberlain will bring the children to us.

Looking forward to seeing Ash parents at the Parents Evenings over the next few days.

Enjoy your weekend.
