# Early Years' News

The ice and snow theme moved into the realm of Ice Palaces this week as well as an exploration of many interesting facts and texts on penguins and polar bears.

From now on the Saplings will join Ash Class for the 'Busy Fingers' activities, first thing in the morning. It would be great if the Saplings could be in school between 8.55 and 9am so that they can settle into the activities quickly. It is, obviously, VERY important now that the Ash children are in the line on the playground at 8:55 so that they are in school for the start of each day.

Ash children should also have their book bags, and books, in school EVERYDAY.

Can Saplings spare clothes bags be kept filled up please - socks, pants, trousers, T shirt and sweatshirts are all very necessary at this muddy and damp time of year.

Please can the children have their slippers in school if they are likely to want their shoes off We are operating a strict policy of shoes or slippers now to avoid any accidents.

Apologies for the notice in last week's newsletter but we are now planning to have 'Forest Fridays'. Please can the children come to school on Fridays in their forest gear -old joggers/leggings, vest, t-shirt, long sleeved t-shirt and a fleece/jumper. They will all wear our school waterproof suits and wellies.

Enjoy your weekend
