

Little Hadham Primary School - Early Years
15 June 2018

Early Years News

Another busy week with so much writing going on in Ash Class. We have a lot of excitement surrounding The World Cup, at the moment. We will be following this up next week.

Forest School continues to be on Fridays. During the warmer weather it's a good idea to send the children with some cooler clothes as well as their forest kit.

Can Ash children please have shorts and t shirts in their PE bags, in school, at all times. If they come home in their PE kit due to getting messy or hot can they please be returned to school the next day.

As part of their transition into Ash Class, from now on, we would like the Saplings to stay on the playground in the morning until the bell is rung at 8:55am. At that time please bring the children round to the Unit.

Please remember that next Tuesday evening (19 June) we have Martin Galway in school at 7pm, to talk about writing and on Thursday 21 at 7:30pm it is the Welcome Evening for Ash Class 2018-1019. It would be good to see as many of you as we can at these events.

Have a great weekend!

The Early Years Team
