15 September 2017

Early Years News

Very well done to all the children for their first full week in school. How well they have all coped and how busy they have been. They are now ready for a restful weekend!

In the mornings -

From Monday (18 September) we would like Ash children to line up on the playground with all the other classes. First bell ringing - stand still. Second bell go to our line - nearest the field. Saplings - parents continue to bring them round to the Unit please. If it's raining EVERYONE comes straight round to the Unit.

Meeting Saplings at 1pm

From Monday we will meet you round by the 'secret gate'. This is in the fence at the end of the carpark next to the big wooden gate.

Please remember our Evening on Thursday (21st) - 7.30pm in the main school Hall - when we will be talking about numbers, phonics, reading and writing and how you can support your child.

Please can all clothes, lunch boxes and water bottles be clearly named. It is fine to leave water bottles in school overnight - they will be washed and refilled. The children seem to have so much to carry, this will be one less item to worry about. Water bottles should never be carried in book bags.

Ash children need a warm pair of joggers and a sweatshirt in their PE bags at all times. They will always do PE outside on a Thursday unless it is raining or VERY cold. Girls also need a pair of socks in their PE bags when they are wearing tights during the colder weather.

If anyone is interested in being an Ash or a Sapling parent councillor please let us know. For more details see the main school newsletter.

Enjoy your weekend
