# Early Years News

What an unbelievable week we have all had!

The trip to Colchester Zoo was a wonderful day for the Ash children, from start to finish. They were great company and we saw some amazing things.

Next week we will continue to cover work based on the Zoo and begin to explore Easter and what it means to us all.

We have some budding builders in the Unit and would really appreciate any old, unwanted bricks that any of you may have lying around. Any other interesting building materials would also be of interest to us.

Enjoy the snow if you see it!
