Early Years News

A very well done to all the children who remembered to look for some shapes at home. They brought in some fantastic 3D examples - brilliant! **The Ash children have brought home a maths game again this week. Please remember to return them by Monday and if ever any contents are missing from the bag please let us know.**

On Tuesday we will all be going to Millennium Wood for the day. Please make sure that the children wear long sleeved tops and long trousers/joggers/leggings. We will not need book bags that day but we will need hats and suncream applied! We are looking forward to it and it should be a great day for everyone!

Can all the children please have spare socks at school - we just can't keep up with the demand!

Please could everyone try to bring in a photo of a holiday, with the place's name on the back. We are all very interested in the map of the world and it would be good to see where the children have been.

Can children please not bring their collector's cards (e.g.LEGO, Marvel) into school. They do cause a lot of upset and unnecessary arguments.

Enjoy the sunshine
