# Early Years News

What a wonderful walk Ash had this week for their jewel jar treat. It was a lovely afternoon and the children were so happy and interested in everything from blossom to kites to boggle eggs! The eggs have now been placed, safely, in their very own nest in the forest at school and the children are hopeful that all 14 eggs will hatch!!

Thanks for the offers of help to read with Ash Class. This week's request is a couple of hours to sort and organise our role play/dressing up resources!! If organising and streamlining is up your street this could be the job for you!!

We are sending home a letter strip with the Ash children today - if they are writing at home please encourage them to have it out for support.

**Calling all Saplings** - hopefully most of you will begin to attend school full-time for the final term in Nursery. We would really enjoy having you all in every day and the consistency would really have a positive impact on your learning. Please find time to talk to us about this

Red Nose Day next Friday (24 March) - dress down for £1

**With many thanks for all your support**

Have a good weekend

The Early Years Team
