Early Years News

A great big thank you to all of you for your support this year. Another thank you for the beautiful gifts and kind words that we have received and heard this week. It was wonderful to have Charys and Tim in the Unit on Monday when they played and interacted with the children brilliantly. Thank you both.

Today we say a sad 'Goodbye' to Mrs Wood. She has been an outstanding support to us all and a wonderful colleague to spend the last six years with. We will miss her terribly but thank her from the bottom of our hearts and wish her all the very best as she faces the excitement of her new job, in a very different Early Years setting.

Please remember that Ash children are finishing school at 2.15pm today. We would appreciate it if you could come round to the Unit to collect them at this time.

We look forward to seeing you all again on Monday 04 September when we will also be welcoming Mrs Sam Askew who will become the third member of our Early Years Team.

Keep on Reading. Keep on Writing! Keep on looking at, and using, numbers!

Take care and have the most wonderful summer break!

The Early Years Team
