Early Years Newsletter

Congratulations to you all, children and parents and grandparents, for completing your first half term in school.

Now enjoy a week of rest and recuperation!

We are sending Saplings Learning Journeys home tonight. Enjoy sharing them and please bring them back to school after the holiday.

We are also sending speech bubbles home with all the children - these are for you to record moments in your child's life that you feel would be appropriate to put in their Learning Journey. It does not have to be a mind blowing thing, and might just be your thoughts (or theirs) on their first few weeks in school.

Ash children are bringing home some tasks to do with their phonics - please enjoy doing these with your child and let them bring in the finished items after the holiday.

Ash will need their PE kits back in school as soon as we return after the break.

Film Club will start on the first Friday after half term (04 Nov). Ash Children are able to join this after school club but we do urge you to consider their attendance as it can be quite hard for them after a week in school. Please let us know each Friday morning (in person or via their reading diary) whether or not they will be attending.

Thank you for all your support this half term. Have a great half term break. Stay safe. See you on Monday 31 October.
