Early Years News

Next week is 'Friendship Week' and, just like Tigger and Pooh, we will be thinking about being a good friend and doing lots of fun activities to reinforce this. Please do talk about this at home and share your friendship stories!

On Friday, we will be holding our Children in Need Day and children are asked to wear something spotty and/or wear odd socks and pay a £1 donation towards the charity. We will also be holding our Annual Pudsey Raffle in school, with tickets at 20p each, drawn on Friday. Should you wish your child to join in, please contact the office to buy your tickets directly from there.

Thank you to those families who practised their cutting skills last week- it really has made a difference!

Unfortunately, Mrs Nicklin's shoulder is taking longer to heal than anticipated and so we will continue doing our best without her for a little while longer.

Thank you all for your support and understanding in this and please do not hesitate to contact any of us, if you have any concerns.

Mrs Stockley and the Early Years Team
