May 2015

A big thank you to every one who came to last months Quiz Night and Steve and Sue for doing a grand job as quiz masters.

Congratulations to '8 Months till Xmas' who were this years champions, proving that its quality not quantity that counts! We managed to clear £700 net profit and the night was a lot of fun.

Hopefully the quiz will be back in its usual date (possibly March 19th) next year so we look forward to squeezing in a few extra tables and doing it all again.

Summer Fete

Our next event is going to be the Summer Fete! Sunday 5th July 12 - 3.00pm. This year we are going back to basics with an emphasis on good old traditional summer fete stalls and games with a heavy dusting of straw bales and bunting!

Pumpkin Plans!

Thinking ahead to the Autumn term, we are planning an exciting pumpkin growing competition to coincide with the October half term. With this in mind, pumpkin plants will be on sale at the ever-popular plant stall at the summer fete for you to continue growing at home. However, if you fancy having a go at growing your own pumpkin from scratch, NOW is the time to start planting your seeds and get growing! Don't worry if you don't have a garden or the space to grow your pumpkin, there may be an

option to provide some growing space at school. So make sure you visit the plant stall on the 5th July to pick up your pumpkin plant as well as some magic ingredients to help it grow!

Our plant stall is always a great feature of the summer fete and in preparation, Justine Eathrowl-Law is on the look out for some large garden pots and planters. If you have any you could donate, please see Justine directly or any of the Friends Committee who can pass them onto Justine.

Fund Matching

Many employers run a Fund Matching Scheme for good causes. The Friends is a registered charity. It is worth asking yours or your partner's employer as many larger companies run schemes like this but often don't advertise it!

Just ask! You never know!

Email problems!
