

FRIENDS NEWSLETTER – BAZAAR UPDATE – NOVEMBER 2017.

Thank you so much to all the volunteers that have offered help at the Christmas Bazaar, whether it be setting up, running a stall, making cakes/chutneys/jams or crafts, buying and wrapping presents, gathering & gifting prizes for the raffle, donating to the 'Bring in Days' and cooking the Turkey! We are so grateful. The more people that help the better as there really is so much to do! We're so proud that our village primary school raises more money via these school events than some of the much larger primary schools in Bishops Stortford. It creates great memories for the children too!

Please see below confirmation of where your help has been allocated. There are just a few outstanding gaps that we need to fill. If anyone can help fill these gaps we would be most grateful? (See below items in red.....)
