'Believing and Achieving'

Friday 2nd February

Dear Parent/Carer

I was very proud of our Y3/4 Maths Team of Keira, Harry F, Lola and Cam, who represented us at the SETPOINT Maths Challenge yesterday. It was not a competition as such but they worked really well together on a range of maths challenges and demonstrated excellent thinking skills, well done!

Effort Assembly

Invitations may be coming your way today for the Effort Assembly next **THURSDAY 8th Feb at 2.00pm**. It is slightly earlier than usual, as we would like to share this year's Sign2sing Song with parents before the assembly. Everyone is welcome to join us.

Sign2Sing

As mentioned, next Thursday 8th February is our annual Sign2Sing Day. This is where the children support the Signhealth Charity for deaf children by wearing a scarf and paying a £1 fine towards the charity. The children have been learning to sing and sign this year's song, 'Friends Forever' and would like to share this with parents before the start of the Effort Assembly. It really does your heart good to see the children signing and singing, so do join us at 2pm on **THURSDAY**.

SEN Plans Parent Evening and Parent Consultations

As these evenings fall straight after half term, parents should have received consultation forms this week, so please check in book bags or contact the office for another copy.

Nursery Admissions

This year, County have allowed schools to organise their own Nursery Admissions for 2018-19 and applications open on Monday 5th February. Our Nursery Admissions Policy is on the school website under 'Admissions', with an application form attached. If you or anyone you know who may be interested, please signpost them to this information. The window closes on 16th March.

Class Attendance Award

This week's joint top attenders are Lime and Maple Classes, with 98.4%. Attendance across the school was at 96.1%.

Going for Gold

The most Triplegold for the week ending 26th January was achieved by Willow Class who just pipped Maple and Beech Classes into second place, congratulations to all classes!

Special Table

The Top Tablers for next week are Ilana, Alexis and Violet, enjoy!

Friday Film Club

There is NO film club next week, as we break for half term.

The next film **after** half term on Friday 23rd February will be 'Cloudy with a Chance of Meatballs 2', which has a running time of 91 minutes and so pick up is at 4.45pm, please.

Governors Update

May I remind parents about our vacancy coming up for a Parent Governor, so please contact the office for an application form, if you may be interested. Your school needs you!

Also, just to keep you posted, the advert for the new Headteacher goes live next week.

Mrs Wells

Mrs Wells' operation went well yesterday and I am sure that you will join with me in wishing her a speedy recovery.

Weather Forecast

Next week's weather forecast predicts possible snow, so please check for any text messages etc, just in case!
