'Believing and Achieving'

Friday 13<sup>th</sup> July 2018

Dear Parent/Carer

What a fantastic result from the **Fairwell Festival** and what a fantastic day it was all round!

**Thank you** to everyone who made it a very special day for me personally and you are all stars!

Thank you also for my lovely flowers and 'bubbles'- I am being thoroughly spoilt-again! The FRIENDS should be very proud of themselves raising over **£4000** on the day. The bands were a great addition and a massive thank you must go to Connect Scaffolding for their amazing stage construction, which made all the difference. The article in The Independent captured it all, thank you!

And as for our KS2 stars...'**Shakespeare Rocks**' was thoroughly amazing and the children never cease to impress us year on year. Congratulations to the Y6 Stars of the Show- a very talented bunch this year! Thank you for your kind donations towards Kigezi Primary School in Uganda- around £150 was raised from both performances and we have already sent off £820 to Uganda yesterday, via the Herts & Essex High School Uganda Tour.

Well done must go to our **Effort Award** winners and Y6 Prize winners today. It is the one time in the year where we celebrate what seven (even eight) years at Little Hadham can produce and, whilst **everyone** has made huge strides over time, congratulations must go to the following:

Maths Prize- Leo

English Prize - Maddy

Science Prize - Caitie

Improvement Prize - Riley

Walker Sports Prize - Emily

Stockley Languages Prize - Amelia (first recipient)

## **Class Attendance Award**

This week's top attenders are in Lime Class with 98.5%, well done. It is a testament to this award that eleven pupils today received a County 100% Attendance Certificate, well done to each and every one of you.

Everyone should have received a copy of their child's Registration Certificate with the Annual Report, so you can judge for yourselves as to whether your child achieved the required 96%+ attendance or not - hopefully it's even better!

## **Going For Gold**

The most Triplegold were achieved in Lime Class, Congratulations!

## Special Table

The final Special Tablers of the year are Lola, Oscar and Samuel, Bon Appetit!

## Open Afternoon

In order to provide an opportunity to view your child's work alongside them, all parents are welcome to come in to school, in to class, at 2.30pm on Monday 16<sup>th</sup> July. Children may then leave a little early with you, if you wish. However, should parents wish to discuss the Annual Report or SATs results, then please this must be done after school from 3.30pm, as teachers will still be in charge of the children.

## #MHD Challenge and TV Crew

Pink permission slips were due back in today. Sadly, any child without a pink permission form will not be allowed in the filming on Tuesday. Hopefully, they have all been practising and logging on to <https://www.youtube.com/watch?v=IXBerkuMPp8> to get their steps right! If children have their own red hankie, then fine, if not, school will be getting some red material to produce some red squares. Fame at last!

## NSPCC Coin Collection

Next Wednesday, we will be building a spare change coin collection in the shape of a giant sign for the NSPCC, so please check pockets over the weekend and feel down the sofa for any spare loose change that you may have- all in a good cause!
