'Believing and Achieving'

Dear Parent/Carer

Congratulations to our Ash Class pupils for completing their first full week of 'Big School'. They have done so well!

Hopefully, parents found the Meet the Teacher meetings useful this week and those parents who were unable to join us have received hard copies of the presentations. Please do not hesitate to contact either the class-teachers or myself if you need any further clarification.

Beech Class parents were able to meet our new Teaching Assistants, Ms Goodger and Mrs Gosling. They already feel part of the team and I hope they feel that too! Welcome to you both!

Early Years Parents are invited to the Early Years Information Evening on Thursday 21st at 7.30pm. Please do come along, so that you can support your child in the best way possible.

Parent Councillors

You may have noticed on the class information letters that there is a request for a nomination for Parent Councillor. In the past, our Parent Council has been something very special for Little Hadham, as it provides parents with a collective voice, as well as an opportunity to get to know other parents in an informal way. It would be great to continue this or even re-invent it - I am open to suggestions?

Traffic Update

One hot topic from previous Parent Council meetings has been school traffic and car parking. Just to keep you updated, I met with Highways and local Councillor, Graham McAndrew, in the summer term, with a promise that 'something would be done!' Needless to say, having heard nothing, I made contact with them again last week and, hopefully, our plight is back on the agenda- watch this space! Meanwhile, we will have to continue opening the gates at home-time and appreciate parents being mindful of others in the mornings. There is always B49 Club!

Flu Vaccinations

The NHS Trust are offering all children from Years 1-4 a free flu vaccine via a quick nasal spray. Letters should be in book bags which invite you to click on a link to give consent. The closing date is 29th September, so please reply by return. I have also attached a soft copy just in case! Please contact the office, if you cannot access the internet and we can support you with this.

After School Football

Having had the first session of the year, there is now a waiting list for new applicants for Matt's Thursday Club. However, as yet, there are still spaces on Ross' YR-Y2 football sessions on Wednesdays after school.

Year 6 Maths Club started this week, so it is hoped that all our Y6 children will take advantage of this extra maths support offered. Completely FREE!!!

New Lunchtime Clubs for both KS1 and KS2 will gradually be phased in over the next few weeks and a timetable will be circulated.

Plastic Bottles

A request from Lime Class for any empty plastic bottles (no bigger than 1.5 litres) of any shape or size, thank you.

Class Attendance Award

This week's top attenders are Maple Class with 98.8% attendance, well done. School attendance was 95.2%, which has room for improvement, please.

Going for Gold

The first winners of the season for the most Triplegold are Lime Class, well done- a great start to the year.

Special Table

Next week's Special Tablers are Caitie, Sofia and Maya- well done, girls!

FRIENDS AGM

Please do come along and support your P.T.A. on Wednesday 27th September at 7.30pm and hear about new projects and the old 'faithfuls'.

Primary Science Mark

We were really excited this week to hear that our application for the Silver Award of the Primary Science Mark has been successful. A huge 'congratulations' to the children and staff, especially Ms Penning, who continued the good work that Mrs Martin started before she had her baby. Well done- much deserved!

Coming Up Next

- Mon 18th : Y6 Maths Club
- Tues 19th : Curriculum Governors 3.45pm
Governors School Development Planning 6.30pm
