'Believing and Achieving'

Friday 25<sup>th</sup> May 2018

Dear Parent/Carer

## Life is better with trees!

We have been so lucky with the weather this week for our Outdoor Week. The children have had lots of super learning opportunities out in the fresh air, which can only be a positive thing - especially as it was fun too! Thank you to all the staff who have provided these fun activities.

We would like to share with parents some of our Outdoor Week experiences in a whole school **Sharing Assembly** on **FRIDAY 8<sup>th</sup> JUNE** at 9.30.am. Do come along and join us!

Well done to our Y5/6 Cricket Team who won their pool but sadly got knocked out in the semi-finals - no mean feat though against much bigger schools! Thank you to Mr Leonard for all the additional training sessions and to Mrs Ogden and parents for co-ordinating transport etc.

## Class Attendance Award

This week's top attenders are in Lime Class with 99 %, well done. Sadly, the total attendance across the school was down this week, mainly due to unauthorised holiday absences.

## Going for Gold

The most Triplegold this week were awarded to Beech Class, Congratulations!

## Special Table

The top table will be announced in assembly on the first day back.

## Cake 'n Cookie Staff for Kigezi, Uganda

Some Y5 girls are planning a Cake 'n Cookie Stall at break-time on **Friday 8<sup>th</sup> June**. Items will be 20p or 30p, so any cakes or cookies contributions towards the sale would be most appreciated.

## Privacy Notice

In line with the GDPR requirements, the school's Privacy Notice for Parents/Carers is available under the **Statutory Information** section of the website.

## Fine and Gross Motor Skills

From recent training, we are aiming to run a daily 'Physical' club with Mr Leonard next half term to help some children further develop their fine and gross motor skills, which will ultimately help them with their writing and self-organisation skills in the future. To the children, it may seem like 'playing', however, there will be a method in our madness!

## Staffing in September

Just to keep you all posted, I am pleased to say that Mrs Whittet will be staying with us in September and that Mrs Martin will be taking on the role of SENCo from me in September, amongst her many other talents. I am sure that you will join with me in being pleased that they both continue to work with our children. I am also pleased to share that Ms Connolly, our new Headteacher, is coming in to school over the next few Fridays, so that I can share lots of information with her in readiness for September.
