'Believing and Achieving'

Friday 26th January 2018

Dear Parent/Carer

Well done to our Y5/6 Sportshall Athletics Team for representing us so well yesterday at the Partnership Festival. They were Runners Up - 2nd out of ten schools! Once again, Little Hadham proving that we can more than hold our own against the bigger schools! Thank you to all parents who helped with transport and to our 'Sporty Staff' for giving up their time to support the children. Very proud of you all!

In spite of all the coughs and colds, Ash Class have the best attendance this week with 97.7%. Across the school, attendance was at 96.7%, well done.

Going for Gold

The joint winners for the most Triplegolds for last week were Beech and Lime Class - Congratulations!

Special Table

Our Top Tablers for next week are Daisy, Eddie, and Victoria, well done!

Friday Film Club

Next week's film is 'Inside Out' which has a running time of 91 minutes, so pick up is at 4.50pm, please. Remember your snacks in the morning!

Effort Awards Assembly

For your information, Effort Assembly is taking place on **THURSDAY 8th FEBRUARY at 2.15pm.**

Governor Vacancy

Having served almost four years as a Parent Governor, Mrs Gulden Dogan is stepping down due to busy work commitments. We would like to thank her for all her support and enthusiasm during her term of office and will thank her officially at the Awards Assembly. Therefore, we are hoping that we have a parent (or two) out there who may be interested in this highly valued position. I have attached an information leaflet which gives more insight into the position, so please do take a look. Application forms from the office by 9th February. It is a very exciting time of change coming up and, as governor, you will be able to help make a difference. I also attach their latest newsletter.

Y3/4 Archery Club

Due to positive feedback, we will be running a Y3/4 Archery Club on Mondays, starting after half term. A letter will be coming home next week to those who expressed an interest.

Big Garden Bird Watch Weekend

This weekend is National Bird Watch weekend which invites families to spend one hour over the weekend, recording any birds that appear in their garden. They then log on to www.rspb.org.uk/Birdwatch to record their findings. There is also more information on this website to help you identify birds etc. It is the biggest national creature data capture event in the world, so if you have a bird feeder, bird table or some breadcrumbs, find out which kinds of birds visit your garden and tell the world!

Lime Class

Unfortunately, Mrs Wells will not be in school from 2nd February until after half term, as she has to have an operation and will need a period of convalescence. I am sure you will join with me in wishing her a speedy recovery and we hope to see her back in Lime Class very soon. We will be joined by Mrs Hazell during her absence.
