'Believing and Achieving'

Friday 28<sup>th</sup> April 2017

Dear Parent/Carer

We may be small but we're fast!!! We are so proud of our Y4/5/6 Cross Country Teams who were awarded the TBSHS local schools Cross Country Trophy on Monday at Jobbers Wood. In second place came Reedings from Sawbridgeworth and in third place was Northgate. Both schools are at least 3 times bigger than we are, so what a fantastic result for our little school- well done to every competitor and that's what I call 'Teamwork'!

## After School Night Owls

A reminder that, if parents find themselves in difficult childcare situations, Nightowls can take in ad-hoc bookings. Either contact Hayley on **01279 771476** or email [earlybirdandnightowlclub@gmail.com](mailto:earlybirdandnightowlclub@gmail.com)

## Class Attendance Award

This week, our top attenders are Willow Class with a perfect 100% - well done!

## Special Table

The coming week's Special Table Guests are Jack, Mason and Riley - as nominated by our cooks this week.

## Going for Gold

This week's most Triplegold goes to Willow Class, well done!

## Sainsbury's Active Vouchers

Please do keep sending in your **vouchers**, it would be great to replace some more of our gym mats again this year.

## KS2 After-School Cricket Club

Luke is running his after school Cricket Club on Tuesdays from 3.15-4.15pm. The club is open to anyone from Y3 upwards, so contact the office or come along on Tuesday and join in.

## Skateboarding Club

Skateboarding Club on Wednesdays with Ian resumed this week, so if anyone is interested, please contact the office. Ian has all the kit, so just long sleeved tops and joggers are needed. Children are most welcome to bring a drink and a snack for an energy boost. We do need a dry surface for skateboarding, so if the weather is bad, then the children will play skateboard-related games in the hall. Fingers crossed for dry weather!

## KS1 Maths Home Support Ideas

Since our successful Maths Evening last term, a few parents have been asking for further suggestions on how they can help their child's Maths at home. Therefore, we have collated an information sheet, which we hope will be useful. Please find it attached and a hard copy is in book bags tonight. It will also be uploaded on to the website under the Parents Secure Area. If you have not already done so, in order to access this part of the website, please contact the office for an Agreement Form.

## Learners Community Library

A reminder that, as a school, we subscribe to the Learners Community Library situated at Herts & Essex Hospital, so for more details visit:

<http://www.aspects.org.uk/learners-community-library.html> or please feel free just to ask me more about it.

## New Gate Entry System

From this afternoon onwards, the main red gate will be disabled between 8.45am and 9.10am at the start of the day and then between 2.50pm and 3.25pm at the end of the day. We are also padlocking the large green gate each day now after drop off, so please bear with us if it needs opening at the end of the day for parent parking.

## Car Park

As you may know, there has been a staff car parking plan trialled over the past few months to help with parent parking. However, from parent feedback, it is not effective and from staff perspective, there have been a number of 'prangs' on staff cars, which I am sure you agree is not what should happen. Therefore, apart from myself and Mrs Lawson at B49 Club, staff will now park in bays backing on to the road, thus leaving a bigger space by the trees. It is always a challenge but we do appreciate everyone's patience and co-operation to make it work, as best we can.

## Coming up next...

Monday 1 <sup>st</sup> May:	Bank Holiday
Tuesday 2 <sup>nd</sup> May:	SEN Funding Cluster at L.Hadham - am DSPL3 Meeting at Amwell View - Mrs Stockley
