

*"Little Hadham School is a truly special place. You feel the warmth as soon as you enter the front doors. The children are happy and I have seen them grow emotionally, physically, and educationally over the years. The staff are very competent and caring professionals who treat each child as if they were their own."*

We feel very lucky to have found such a fantastic school for our children who love going to school and are making excellent progress. As a family, we feel very involved in everything that goes on in the school and we are so pleased that we made the move to Little Hadham Primary - we have two happy little boys!

' My children have settled in from the very first day and that is down to the Head and her lovely team of Staff. Their needs are met Academically, Emotionally and even Socially as there are so many clubs for them to join. Joining Little Hadham School was one of the best decisions I have made.'

“We could not ask for a better start to Frankie's school journey than at Little Hadham. Frankie is thriving in the caring and stimulating environment and has richly embraced the schools great buddy system! He loves engaging with the older children on a daily basis”.

'Little Hadham is an excellent school with supportive and encouraging staff. It offers a wealth of opportunities to pupils enabling them to try a wide range of activities both as part of lessons and at after school clubs. We feel very lucky that our daughter is able to be part of this community.'
