Important dates for your diary!

Quiz night - 23rd June

Back by popular demand! After the success of the last quiz night and the positive feedback from parents about how much fun you all had, the Friends are excited to announce that we are holding another quiz night on the 23rd June. Entry will be £15 per person which will also include food. Everyone welcome so please bring your friends, neighbours and relatives. Put the date in your diary, book a babysitter and watch this space for more information very soon.

Colour Run!

Colour Run - 7th July - After school

This event is going to be so exciting!! As we are unable to hold a traditional Summer Fete this year due to the lack of a field, we are holding Little Hadham's first ever COLOUR RUN in a neighbouring field. This fun run will involve children running around a route where marshals throw non-toxic, washable, coloured powder at the children. There will also be a licenced bar, BBQ and refreshments for sale.

We will send out more details nearer the time. In the meanwhile, please let us know if you are available to volunteer to help out on the day.

Children will need a white/light coloured, cheap or old t-shirt.

Ice Cream

After half term we will be selling ice creams and ice lollies after school on Friday afternoons. All proceeds go to the school. We need volunteers to help. Please let your class reps know if you can spare 20 mins on a Friday.

Thank you!

Gin!

To boost our income this summer, we have teamed up with local distillery, **Copper in the Clouds**, to produce our very own, exclusive gin for you to purchase. The children in Early Years have been busy growing lemon balm especially, which will be added during the distilling process along with other locally grown botanicals. Our very talented local artist and parent at the school, Genevieve, has designed beautiful artwork for the label, making this the perfect present to buy for friends and relatives. Or something very special and unique if you are entertaining this summer. Get in touch if you'd like to reserve a bottle as supplies are limited.

Reminders of other easy ways that you can support the Friends of Little Hadham

If you are planning on booking tickets to Standon Calling Festival, please book via the school's unique booking link:

<https://tinyurl.com/folhpssc>

Not only will you receive exclusive discounts, 10% of the value of the ticket will go to the Friends charity.

As the weather is warming up (we can hope!) and children start stripping off their layers, lost hoodies are getting left all over the school. Make sure they are named! If you order your name labels from

www.mynametags.com and use the school's unique reference code **24592**, the Friends receive 24% of the value of the order.

You can still also raise money for the Friends by shopping through easyfundraising.

Follow this link <https://bit.ly/3OSkkA8> to sign up.

If you need help, please get in touch with the Friends and we will send you detailed instructions on how to set this up.

We can not do all this without **YOUR** help! We really **need** more volunteers. Please get in touch with your class reps if you can help with any events this summer.
