September 2021

Dear Parent/Carer,

As you may already know, Little Hadham Primary school has been leading and participating in many international projects with other schools in Europe, using the safe online platform eTwinning, which is run by the European Union. This year, your child will have the opportunity to participate in our whole school Erasmus+ project, which is funded by the European Union and will be led by our school, which is called 'Cinderella then and now - Discovering values'. Your child will also have the amazing opportunity to collaborate and communicate with pupils from other primary schools from many countries, using the safe online platform of eTwinning.

eTwinning is an online platform for linking schools across Europe. It enables children to communicate, collaborate, develop projects, share and be part of the most exciting learning community in Europe. It promotes school collaboration in Europe through the use of Information and Communication Technologies (ICT). Students and teachers are the main users of TwinSpace; they can contribute depending on their access profile. It is a private space, which can only be accessed by people who have been given permission by the administrators. It is designed to include all children working in the project to see what is happening.

We would therefore like your permission to upload your children's work and occasionally your children's group photos and videos. We would like to reassure you that the projects are completely safe as they are password protected and only accessible to members of the projects. Come and talk to me if you require more information. Thank you very much for all your support in our international activities.

Yours sincerely,

Ms Afenti-Sassis

MFL Leader and Project Coordinator

If you are happy to give consent for your child's work, group photos and videos to be uploaded in twinspace as well as for your child to use twinspace to participate in forums and communicate with e-pals, YOU DO NOT NEED TO DO ANYTHING FURTHER. If you DO NOT give consent, please email the school no later than Friday 24th September 2021.
