

Little Hadham Primary School

'Believing and Achieving'

September 2019

Dear Parents,

Willow Class Home Learning Project Autumn 1

Our topic this term is 'Great Pestilence' and the dark and deadly world of 14th century Britain.

For your child's Home Learning Project this half term, we would love them to find out more about this fascinating era. Here are just some ideas they may like to try at home...

Make a model rat out of papier mâché. Paint it to make it look realistic. Take a picture of your rat in different places but try not to scare anyone!

Design a coat of arms for your family. What symbols would you use and what would they represent? What would be your family motto?

Search your local library to find out if the plague of the 14th century affected a village or town near you. What information can you find out?

Write a letter to a child of the 21st century, imagining you are a peasant child of the 14th century. What could you tell them about your life?

Find out what happens when something decomposes. Place an apple core, orange or grape in a transparent container and watch as it decomposes. Document what happens.

Use a map of the UK to identify castles of the Middle Ages. Make a scrapbook or journal to research facts about one of them. Be prepared to present your scrapbook to others.

Please remember all projects will be displayed at school. We can't wait to see what you get up to!

Please return all projects to school by **Friday 18th October 2019**.

Have fun!

Willow Class Team

Mrs Tweedale, Mrs Whittet & Mrs Ogden
